

minutes

Friedrich-Alexander-Universität
Erlangen-Nürnberg

Sub project / GAP (incl. sub projects): GAP II (A01, B04, C04, D01)

Date and location: 16. May 2022 Zoom

Participants: Johanna, Ingrid, Birte, Simon, Vanessa

Keeper of the minutes: Simon

Date and location for next meeting: Monday 23. May 2022 in Zoom

topic 1 – patent within GAP II

content/description:

- State of the art has to be written
- State of the art from survey >> many individual paper

tasks and responsibilities:

Birte, Vaneassa, Johanna, Ingrid and Simon will search for surveys and state of the art in “their” fields

Simon: Sketch of the setup

topic 2 – text for claims of the patent

content/description:

- Claims without references
- References were cited in state of the art
- Length for each claim should be detailed enough for the attorney but not too detailed to limit us in the future

tasks and responsibilities:

Vanessa, Birte, Johanna and Ingrid write about “their” topics

Simon will help if needed or create figures

--

topic 3 – FAU Box for collaboration
content/description: <ul style="list-style-type: none">1 folder @ FAU Box for collaboration might be optimal
tasks and responsibilities: <p>Vanessa asks Prof. Vossiek for admin rights → adding Simon & Birte to FAU Box folder</p>

topic 4 – measurements
content/description: <ul style="list-style-type: none">RGB flashing error identified (frequencies not exactly aligned)Error is going to be fixed → participation in measurements next week
tasks and responsibilities:

topics for next meeting
